introduction

- *“Developing a culture of quality may be the best way forward rather than either advocating resources as quality products or simply promoting quality practices and quality processes.”*

OER in Quality Assurance

1. QUALITY AS A PRODUCT
2. QUALITY AS A PROCESS
3. [CREATIVE COMMONS](#)

CONCLUSION

In our pursuit towards providing **QUALITY** Educational Resources to all Fiji citizens, OER offers free, accessible and Quality Resources that are licensed under Creative Commons to which we shall ensure are processed through existing quality assurance frameworks as the National Curriculum and HEI Qualification Standards or the adoption of Educational Resources shared by globally recognized Institutions repositories such as [OER COMMONS](#), [ISKME](#), UNESCO, Athabasca University and Commonwealth of Learning. Practicing quality ensures a culture of quality.
