

Reviewer's profile-

Dr. DDN de Silva, BVSc(Sri Lanka) PhD (Cantab)

I joined the Academic staff of the Department of Veterinary Clinical Sciences (DVCS), Faculty of Veterinary Medicine & Animal Science (FVMAS) as a Temporary Assistant Lecturer in October 1979 after obtaining a BVSc (2nd Class Honours) degree from University of Peradeniya and was made permanent in 1982. I obtained my PhD in 1988 from University of Cambridge UK, and was serving in the capacity of the Senior Lecturer in Grade II and I in Veterinary Surgery. I have held various administrative positions in the FVMAS, including Head of the Department at present and also from 1998-2005 , Chairperson Faculty Higher Degrees Committee for 10 years (2003-2014), Coordinator of the Veterinary Post graduate Education Unit (3 years), Deputy Proctor, Senior Student Counselor, Acting Dean at several occasions, Member of Faculty planning Committee, Quality Assurance committee etc..

I served as a person in-charge of the of an activity (Establishing a conducive learning environment) which included establishing a new Veterinary Teaching Hospital and other Common amenities (Common room, toilets, canteen, library, IT centre etc) under IRQUE Project. I have conducted several training courses for undergraduates, CPD programs for post graduates and veterinary practitioners and undergone training in Project proposal writing, Institutional reviewing and Self Evaluation Report writing and wrote the SER for DVCS in 2006..
