Experience in Quality Assurance in Education and Higher Education

Contribution to the Development of the Faculty and University through IRQUE project 2003-2010

Contributed to the development of Faculty of Arts through Quality Assurance programme in 2005 where I was the faculty representative of QAA. As a Secretary of QAA of Internal council of University of Jaffna in 2005, I have involved not only access QA reviewers but also coordinate each faculty to work within the departments to enhance their quality of subject and research and played an important role to coordinate the programme with the help of Heads and staff of the departments.

As an acting Coordinator and Coordinator (2009) for QEF/ Batch III, IRQUE project in 2008-2009, I involved in proposal writing, implementation and evaluation of this project.

As a representative for Faculty of Arts IRQUE – Social Harmony in 2004, I have done many activities for the improvement of students' skills. As a Chair person and Resource

person of many activities for the above IRQUE – Social Harmony programme in 2004/2005 and 2005/2006, I invited experts for delivering lectures on Non-Violent communication and Stress management through Relaxation for new comers in 2006. Further I have conducted awareness programmes on Improvement of Life Skills and Counselling.

As an Acting Coordinator (25.10.2004 -25.03.2007) and Coordinator (since 03.08.2007) for Social Harmony, Institutional Block Grant, IRQUE project, I have involved with other faculty representatives in proposal writing for the formation, implementation and evaluation of this project.

During that period, participated in many workshops such as Proposal writers (QEF) -2007, Subject Reviewers Training workshop, Quality Assurance, Subject Review and QEF, IRQUE Batch I, II and III project workshops in 2003, 2004 and 2005 which were helped immensely to ensure my contribution to the university.
