GROUP-06:

Learning Environment, Student Support and Progression

Impact on the graduate profile/program outcome

- KSAM Graduate

- Leads to produce a marketable graduate

Criteria in SER

1. Learning environment- IT, WIFI, VLE
2. Subject related facilities- Laboratory, library, studio spaces
3. Skill development – career related
4. Job market information
5. Maintaining students-staff gap
6. Student counseling facilities
7. Ragging free environment
8. Control of students by Students' councils/unions
9. Extra curricular activates- Societies, Sports, academic calendar
10. Gender equity related matters

Extra pieces of evidences

- Provision of time in the semester time table (for extra curricular activities)

- Evidences on students colours

- Records on students bodies (other than students union)

Good Practices

- Pooling out of laboratories for making easy students' access

- Reducing the gap between staff-students.

- Increasing the Students' External Exposure (Contribution for National Burning Issues)
