# **Best Practices of IQAU (3 best)**

**Assisting quality improvements of study programmes by formalizing and institutionalizing internal monitoring systems**

**Engaging in constant dialogue with students in their academic and welfare activities**

**Promoting employee rewarding system**

# Constraints faced by IQAU (3 most pressing)

- \* Lack of cooperation
- \* Staff shortage – The ones who come forward for QA are already overburdened
- \* Reluctance of staff for being monitored (in order to be held accountable)
